
A.Lec. Aghssan Mohammed Nwehil

Department of Engineering Laser and Opto-optical Techniques
Engineering Technical College/Najaf (ETCN),
Al-Furat Al-Awsat Technical University (ATU)
Email: agsmohammed@atu.edu.iq
Mobile: 009647800562088

EDUCATION

- B.Sc. in Communication Engineering, Engineering Technical College-Najaf, Al-Furat Al-Awsat Technical University, 2007.
- ME in Communication Engineering from Faculty of Electrical and Electronic Engineering, UTHM, Malaysia, 2018.

PROFESSIONAL EXPERIENCE

Academic Employment

- 2008- 2012 Communication Engineer, in Al-Muthanna University.
- 2012- 2017, Head of Computer Lab - (ETCN).
- Fall Semester 2018 – present, Assistant Lecturer, Department of Engineering Laser and Opto-optical Techniques- Engineering Technical College / Najaf.

Teaching Experience

The teaching experience includes Engineering courses such as Mathematics, Measurements and devices, Design projects, and Engineering software programs.

Research Interest Areas

General Communication, Electromagnetic compatibility,

PROFESSIONAL AFFILIATIONS AND ACTIVITIES

Society Memberships

- Alumni Association, Faculty of Electrical and Electronic Engineering, UTHM, Malaysia, 2019-Present.
- Iraqi Engineers Association, Iraq, 2008-Present

PUBLICATIONS

Scientific Activities and literature and published research (Book - Journal - Conference)
