

Bassam Abdul sahib Mohammed

Department of Automobiles Engineering

Technical Engineering College-Najaf

Euphrates East Technical University

Emails: b.hilaly@gmail.com

EDUCATION

B.Sc. in Department of Automobiles Engineering 2006

ME in Mechanical Engineering (Turbo Machinery) Osmania University 2012.

PROFESSIONAL EXPERIENCE

Academic Employment

Fall Semester 2012 – present, lecturer, Department of Automobile Engineering
Technical Engineering College- Najaf

The teaching experience includes Engineering Courses such as gas dynamic, vehicle
technology, Engine technology

Engineer in Department of Automobile Engineering- Technical College- Najaf 2007-
2010.

Research Interest Areas

I work in the field of solar energy and computation fluid dynamic and heat transfer
inside the tubes finned

PUBLICATIONS

Journals

Circular fins with slanted: Uniform heat flux and isothermal processes 2013

Conferences

DESIGN DISH COLLECTOR SOLAR ENERGYin RAME 2012 OU
